CPIM Exam Preparation Classes—Burlington Schedule

Presented by APICS Hamilton Chapter

The APICS CPIM designation is awarded upon successful completion of exams covering the following five modules:

- Basics of Supply Chain Management (BSCM)
- Master Planning of Resources (MPR)
- Detailed Scheduling and Planning (DSP)
- Execution and Control of Operations (ECO)
- Strategic Management of Resources (SMR)

The CPIM Certification Review classes are designed to assist exam candidates in their studies. Our instructors lead students through interactive discussions, case studies, and problem-solving exercises to help review for certification exams.

About the Hamilton Chapter...

APICS Hamilton Chapter, the first international APICS Chapter, is part of the Canadian District of APICS (formerly known as CAPIC), which encompasses all of the Canadian Chapters. APICS, The Association for Operations Management, builds knowledge and skills in operations management professionals to enhance and validate abilities and accelerate careers. We help our members and their organizations successfully compete and build a stronger global economy. Since 1957, individuals and companies have relied on APICS for its superior training, internationally recognized certifications, comprehensive resources, and worldwide network of accomplished industry professionals.

Spring 2010 Program.....

For Spring 2010, we are offering the following review course:

Master Planning of Resources (MPR)

Wednesdays, April 14th – June 16th (10 classes) (A detailed schedule will be handed out at the first class)
6:30PM – 9:30 PM— Burlington

Explore the processes used to develop sales and operations plans and identify and assess internal and external demand and forecasting requirements. The course focuses on the importance of producing achievable master schedules that are consistent with business policies, objectives, and resource constraints.

About the Instructor

Pam Somers, CPIM, CIRM, CSCP, is a dedicated operations management professional with more than 20 years of comprehensive training and practical experience, including many years in the aerospace and defense industry.

Pam's career has included positions in quality assurance, operations management, and business systems implementation. She currently works as a trainer and consultant, offering progressive operations and supply chain strategies, including systems implementation, JIT/lean, total quality management, and sales and operations planning, with a particular focus on managing change.

An active APICS volunteer and trainer, Pam has taught many students in various programs, including Instructor Development, the Fundamentals of Materials and Operations Management, and the APICS certification programs. She is recognized by the APICS Instructor Development Program as a Master Instructor for CPIM and CSCP.

Course Costs:

The cost for each course is \$522 (plus GST) for members and \$580 (plus GST) for non-members.
